- ❖ To the Weavertown Church Family: Barbie and the John U. Lapp family extend our thanks and deep appreciation to you all for all the love and care you have shown to Dad over the years and especially in the past several months as his condition declined. We also thank you for the over and above care and service you have shown during the viewing and funeral! You thought of everything and in a steady quiet way met all our needs and made our families and all the guests feel welcome and appreciated. May God continue to pour out his blessing to you as you continue to impact the community for Him.

With deep gratitude, the Lapp family
