To my church family at Weavertown,

Greetings of love, joy and peace. Seemingly you all dig deeply into your pockets, to come by with your generous gift that was shared with me. Thank you and thank you again.

I am enjoying my stay here at Harlans and God's wonderful creation of many hills and mountains. I am enjoying the wildlife of deer and turkey. Recently on a dreary, foggy morning there were 11 turkeys having their breakfast of wet grass about 50 ft. from my window. What a beautiful sight! At times there are ground hogs that appear as well, although with 2 sharp shooters here they are short lived. I enjoy watching many birds at my 4 feeders that Harlan fixed up for me right outside my window.

And oh the 4 great-grandchildren that live close by. They love showing off their energy. Their live entertainment gives me much laughter, which they thrive on.

We enjoy having Alvin and Mary King here. I am hoping that will help to have more of Weavertown people come out to visit.

You people remembering me by your gift has blessed me. No matter our circumstances in life, may we choose joy.
