- ❖ Wednesday, March 2: Bible Study

## Mission Update

Hello from beautiful, sunny Belize! I have 8 very energetic kindergarten students this year. Our school started in-person classes in January so that has been very nice actually having the students here at school again. We also just started having kids club with some of the neighbor children and will have that every Monday afternoon. Thanks for your prayers and continue to pray for me as I teach and interact with the people here.

Leanne Fisher
