We thank you for the love and care you've shown us through your generous gift towards the rebuilding of our house after our recent house fire. A couple brothers-in-law, nephews, and sons did the necessary repairs on the existing foundation in preparation for rebuilding. We hired a builder, Calvin Martin, from Martinsburg, PA. Sadly, he is currently hospitalized with neurological issues and is waiting on a diagnosis. Your prayers for him and his family would be appreciated, and also for us as it means some uncertainty and more waiting.

We lost most of our belongings, but we are very grateful for the photos, dishes, desk files, a few pieces of furniture, etc. that we were able to save. Our son, Brian lost everything, including his vehicle. Our vehicle was not in the garage at the time, thankfully.

We are living a mere mile and a half from our old location in a house that Brian bought last fall. We have been blessed by the support of our church and community and friends like you! God is good!
