Fannie's scan on October 23 didn't detect any cancer. The last two DNA tests also did not show any cancer. We are not claiming that she is cured but are only stating what we have been told.

We are very thankful for this news and wish to thank you as our church family and friends for your prayers and support during this time. The meals and cards and visits have been greatly appreciated!!

Sincerely, Elmer and Fannie Stoltzfus

Sewing Circle is this Wednesday, November 4th. Lunch will be provided.
