To the church at Weavertown~

Thank you for the kindness and hospitality that you have shown to our parents over the last year or so, but especially over the last several months

The visits. The flowers. The devotions/prayertime/book reading by the men with our Dad. The meal train that was set up every Tuesday and Thursday over the last month and a half. That has been so helpful. Mom & Dad looked forward to those evenings.

It is all so very much appreciated!

It truly takes a community and you have been very invested.

Mom has been dealing with some health issues and after numerous doctor visits and tests, it is related to her high blood pressure. Medicines have been adjusted and hopefully that will help. It is something that she has struggled with for many years, but with age it slowly progresses.

Dad's eyesight seemingly worsens as well. So your acts of kindness & visits are so appreciated by them & us as a family.

Thank you!

The Alvin Beiler Family
